

Quantum Information Science on the Intersections of Nuclear and AMO Physics

Contribution ID: 31

Type: **not specified**

A lattice field theory of quantum circuits (25+5)

Wednesday, January 15, 2025 11:20 AM (30 minutes)

Primary author: WARRINGTON, Neill (MIT Center for Theoretical Physics)

Presenter: WARRINGTON, Neill (MIT Center for Theoretical Physics)

Session Classification: Session 5
